

AARONIC PRIESTHOOD ENCAMPMENT

JULY 30 – AUGUST 4, 2012 • COWLES SCOUT RESERVATION • NEWPORT, WASHINGTON

***Catch The Vision* Pre-ordering Trading Post Embroidered and Screen Printed Items**

The purpose of this document is to outline available products that may be pre-ordered by each Stake, Ward organization, and/or individual for the *Catch the Vision* LDS encampment.

***Catch the Vision* Logo and Message** The *Catch the Vision* LDS encampment provides a tremendous opportunity to instruct our youth about where they came from, who they are, and who they may yet become. “Catching the Vision” means understanding the significance of the First and Second Estates, then embracing the things we must do to achieve Life Eternal.

To help youth internalize these truths, we’ve developed a logo and “message” which may be applied to screen printed and embroidered items. We hope to saturate the encampment with this logo—as a means to “drive home” the *Catch the Vision* message.

Proprietary Nature of the Logo Because the logo includes a BSA trademark, only a BSA Officially Licensed Company may reproduce the art on the aforementioned products. We have selected a company to provide these products inasmuch as they are a BSA Officially Licensed Company, and are the owners of the *Catch the Vision* logo. Naturally, you are not obligated to purchase any items for the event; however, such items help you “drive home” the *Catch the Vision* message to your youth.

Lowering Product Cost All orders are combined in production to lower the cost to those who order. Purchasing from this catalog, therefore, not only helps communicate the message, it lowers your expenses for the event.

Ordering Process Each Stake, Ward organization or individual shall submit orders to your Stake Representative, who shall forward the order to the supplier. Alternatively, the order may be faxed directly to the company at 801-876-2903.

Ordering Deadline All orders must be received by 5:00 pm Mountain Time on July 2, 2012. Inasmuch as a boy or two may join your Stake or Ward after the deadline, we suggest ordering a few additional units of all products ordered.

Delivery of Products To minimize shipping cost, all products are delivered to Camp Cowles, the encampment venue. Upon arriving at camp, your Stake Rep will retrieve pre-ordered products from the *Catch the Vision* Trading Post. You will connect with your Stake Representative for final distribution.

Payment A verified credit card number must accompany all orders. You will receive a credit card receipt for your records and for reimbursement, if needed.

General Products Offerings

Screen Printed Items (such as T-shirts)

The official screen printed logo of the *Catch the Vision* LDS encampment is shown at right. The front of a garment MAY NOT be modified, but the back MAY BE customized at the direction of your Stake. All garments pertaining to a certain Stake will have the same back design (if any). Therefore, the front design “drives home” the *Catch the Vision* message, while the back design provides an individual Stake identity. (Note: prices include printing both the front design, and a one-color back design.

Embroidered Items The official embroidered logo below shall be sewn on the front of hats. Each Stake may request a customized line of text be sewn on the back of the hat (for an additional charge). The design may also be sewn on a number of “flat goods”, such as jackets, fleece, sports and sport shirts.
